

In Re Application of Zaleski et al.
Application No.: Unassigned ✓

Q 3

113. (Amended) A pharmaceutical composition comprising:
a therapeutically effective amount of a compound of claim 1; and
a pharmaceutically acceptable carrier therefor.

REMARKS

The application has been amended in order to place the application in a format more suitable to U.S. patent practice and to remove multiple dependencies from the claims. No new matter has been added by way of these amendments. Separate documents setting forth the precise changes to the claims, as well as the text of all pending claims, are enclosed herewith.

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
